WELCOME & APPROVAL OF AGENDA	
Welcome / Introduction of Members Approval of Agenda	Co-Chairs
Consultation: 1. Ottawa Depression Algorithm Walk thru of Ottawa Depression Algorithm found here http://www.ottawadepressionalgorithm.ca/en/start **Comments:** • Uses PHQ-9 rating tool to asses' depression • Links to e-mental health created by Dr. Cheng • Designed for primary care doctors to use on desktops of tablets • Have funding for feasibility study • Evidence based • Target age: 18-65 • Next steps is anxiety disorders algorithm	Dr. Green

Business Arising: 1. **AGM – June 22nd 2017 (planning committee volunteers) –** Marion Wright, Jon Moore Bonnie Berstow – Toronto Alex Munter – Ottawa Dr. James Kennedy Marilyn to send info - IMPACT study out of CAMH	
Standing Reports • LHIN Update • CCAC & LHIN merged as of May 24th No immediate changes Will ensure that clients who receive at home care will continues to do so as usual Some planning & integration team members have been identified as sub-regional directors. There have been 5 sub regions identified: Ottawa East, West & Central, East Champlain, West Champlain Continue to build relationships with primary care and continue to look at systematic synchronicity • Ministry will be funding rent supplements likely coming in the fall and will look to the LHIN for process Focus will be on 2 new locations. Chronically homeless people After being chronically homeless it's another form of institutionalization. There is learning that needs to be done. • Co-Chair Final meeting for Robert as co-chair • CAC	K. Barclay Co-Chairs J. Moore

• Stigma Stories • Sock Project Update Reached out to media & suppliers. Have PSA from Public Health Ottawa will get the socks & disburse them to users of fentanyl in the downtown core. • FAC Will be reporting on what family would like to see in the ER & in patient unit. Ideal experience in the ER & inpatient for caregivers. May tie in with the in hospital bed unit led by G. Weber at The Royal. Marilyn will send report to Kevin. Will add to future agenda EMBRACE project details can be found here http://www.changefoundation.ca/changing-care/embrace/ . Would like to reach out to 200-300 caregivers and 100 providers. Looking for tangible solutions to roll out • Roller Guide Update • Recovery Academy • Pathways to Better Care In patient bed capacity project – helped consultant organize a methods group and have met with the group to develop methods around the data being collected. Diagnosis, capacity, HR coverage, quality indicators.	C. Corey D. Hesidence
Adjournment 7:00pm Next meeting AGM June 22nd 2017 Future topics September: EMBRACE Marilyn's report
